

# Dockless bikes and e-scooter parking in Westminster

The rules are changing on where dockless bikes and e-scooters can be left by riders.

From October 2023, Westminster City Council is launching a network of designated geofenced parking bays across the borough that apply to ALL e-bike and e-scooter providers.

Riders found leaving bikes and scooters outside of designated parking zones will be subject to fines, and repeat offenders risk having their accounts suspended.

Use this QR code to view a map with all parking locations across Westminster:

More information about the scheme is available here:
