

Street Team

Ensuring the streets are safe and clean for the benefit of everyone

BAKER STREET
QUARTER
PARTNERSHIP

Our Street Team monitors the area seven days a week and is dedicated to making sure it feels safe and is maintained to a high standard for those that live here, work locally or are visiting. The Team works closely with local businesses and has direct links to the Council, Police and outreach support services.

Hours of Operation:

Monday-Friday
7.00-22.00

Saturdays and Sundays
10.00-20.00

Contact the Street Team:

streetteam@bakerstreetq.co.uk
07456 673 895

The Street Team's role is to...

- Help maintain the safety and security of the area by deterring crime and anti-social behaviour
- Give help and advice to visitors
- Liaise with business and building security teams, the Council and the Police, to share information, collate evidence and proactively solve problems
- Work with The Passage – our contracted homeless support, making sure individuals can access the outreach services they need
- Monitor the street environment, reporting and following-up on matters such as potholes, broken street lighting, litter and fly tipping, working with the Council, our Smarter Recycling waste collection service and our own additional cleansing provision
