

Check before you chuck!

80% OF MATERIALS
IN UK LANDFILLS COULD
HAVE BEEN RECYCLED.

**BE SURE YOU'RE PUTTING
IT IN THE RIGHT BIN**

**LESS IN LANDFILL BENEFITS EVERYONE.
BETTER SORTING MAKES MARYLEBONE EVEN GREENER.**

Did you know, your business could save money on waste and recycling collections while contributing to improving air quality and reducing traffic? Find out more about our Smarter Recycling service by scanning the QR code.
