Christmas Toy Drive 2026

Christmas can be a particularly difficult time for families struggling with the rising cost of living. To offer extra support over the festive period, we're working with local community groups in Church Street Ward, just 10 minutes north of Marylebone Station, where over 65% of families are living within the lowest 1% of incomes in the country, to collect toys and gifts for local children this Christmas.

How You Can Help

We are inviting local businesses to collect new toys to deliver to local charity nurseries and family centres.

Gifts should be:

- New and not wrapped
- Around £15-20 in value
- Made from sustainably sourced, natural or recycled material
- Ready for delivery by the 1st Dec allowing the groups time to wrap and allocate them before Christmas.
- Delivered directly to the community group you are matched with, with delivery arranged with them in advance.

This is a great team engagement and volunteering opportunity - coordinating toy donations across your office and volunteering to drop them off at your allocated local charity.

Interested in taking part?

Email sheena@bakerstreetq.co.uk to be matched with a charity

As a thank you, we will include details of your contribution through our social media platforms and newsletter.
